STAT

The Honorable John Marshall Butler
United States Senate
Washington 25, D. C.

Dear John:

Thank you for your letter of 13 April 1955 regarding possible sites in Maryland for our proposed headquarters building.

As our Deputy Director, Mr. White, told you in his meeting with you on 19 April, we have not reached any decision as to the location of the new building, and will give careful consideration to all of the sites brought to our attention.

I sincerely appreciate your interest in the Agency and in our attempt to find a proper site for our permanent location.

With kindest regards.

Sincerely,
